SIR,

I have the honour to state that the Deputy Commissioner, Hassan District, reports in his letter No.Muz.322-27 dated 19th September 1927 that an estimate for Rs.147/- had been sanctioned by him in his No.40-24/Muz. dated 25th January 1925 for repairing the outhouses attached to the Sri Sakaleswaraswami Temple at Saklespur and the work is reported to have been executed by the Public Works Department. As this estimate did not provide for the establishment, tools and plant charges the Executive Engineer has submitted a revised estimate for Rs.163/- providing a sum of Rs.16/- for establishment, tools and plant charges.

2. The Deputy Commissioner reports that at the time of sanctioning the estimate, the Institution had Rs.1,658-0-7 at its credit according to Taluk accounts and that the Institution got a debit balance according to the balances fixed by Government in their order No.1475-76/Muz. 271-25-2 dated 19th May 1926. The Institution has got a debit balance of Rs.312-4-6 at the end of July 1927 according to the accounts maintained in this office.

3. As the work has been carried out according to the sanctioned estimate for Rs.147/- and the Public Works Department is urging for the adjustment of accounts and as the institution has no funds, I request that a sum of Rs.147/- only may be sanctioned to be paid from the current year's allotment of Rs.10,000/- provided in the General Muzrai Fund Budget The cost will be

met from the sum of Rs.445-8-0 shown as reserve in the allowm of General Muzrai Funds.

4. As the entire cost has to be met from the General Muzrai Fund, the question of sanctioning the revised estimate for Rs.163/- does not now arise.

5. A copy of the Deputy Commissioner's letter dated 19th September 1927 is enclosed for reference and favour of early orders.

I have the honour to be,

S i r,

Your most obedient servant,

Muzrai Commissioner.

bject:-- Estimate for repairing the out-house of the Sree Sakleswaraswami Temple at Saklespur.

I have the honour to state that an estimate for Rs.147/- had been sanctioned for the above purpose in this office No.49-24/Muz. dated 25th January 1925.

2. As the above estimate did not contain provision for establishment and tools and plant charges, the Executive Engineer has sent with his letter No.106 dated 1st September 1927 a revised estimate for Rs.163/- including provision for these charges. At the time the estimate was sanctioned, there was a balance of Rs.1658-0-7 at the credit of the Institution. The Amildar now reports in his letter No.C.1-140-27 dated 22nd July 1927 that the institution has at present a debit balance of Rs.62-15-11.

3. It is not clear how the Amildar has got a minus balance at the credit of the Institution without reserving enough funds to meet the cost of the sanctioned estimate and he has been separately asked to explain this. However the work has already been executed and the adjustment of the actual outlay of Rs.163/- is inevitable; it is requested that the enclosed revised estimate may kindly be sanctioned, the cost being met out of the General Muzrai Funds as there is no other means of adjustment of the same.

4. The connected records are enclosed herewith for favour of reference.
